16. History of your interest in psychoanalysis (unless you have included this under 15). Briefly state the origin and development of your interest in psychoanalysis, including the role of such formative influences as teachers, books, etc. Also describe the steps you have taken up to the present time to seek training in the field. If you have applied to other institutes for psychoanalysis training, please list the names of institutes and dates of application, whether you were accepted, deferred or rejected, or when you expect a reply if no action has yet been taken.

17. List any previous psychoanalysis or other psychotherapy (duration and with whom).

18. Do you feel a personal need for psychoanalytic treatment? If so, for how long have you felt the need and what do you anticipate that the treatment will do for you?

I, _____, in making this application for admission to psychoanalytic training, agree to abide by the terms of the constitution, bylaws, and policies and procedures of the Greater Kansas City Psychoanalytic Institute and the American Psychoanalytic Association. I fully understand that any significant misstatement in this report or omission from it may constitute cause for non-admission. To the best of my knowledge, I have no physical or mental limitations that would impair my ability to perform as a psychoanalytic candidate (If so, please explain on attached sheet.) I hereby authorize any and all persons to make available to the Institute, its agents, and employees any information and records relevant to issues of my competence, character, and qualifications. This includes patient evaluations, and information concerning malpractice ratings, insurance coverage, claims settlements and judgments which involve me even if otherwise privileged or confidential. The Institute may correspond with former and present teachers and supervisors in connection with this application. I hereby give permission, release and waive all claims related to the good faith furnishing or review of the information described above.
